JERSEY GREAT GARDEN BIRD
WATCH

Do you feed the birds in your garden?

Please help us by taking one hour (anytime between 8 a.m. and 11 a.m. on Saturday 1st February or Sunday 2nd February) to count the highest number of each species seen in your garden and complete the form provided.

You can check out bird identifications on our Facebook page – Action for Wildlife Jersey.

This has been an annual event for the last 18 years.
