

Class Council- Sept 2021

Year group:

Agenda

Explain Role of School Council and importance of Class Council (Article 12: To have a voice)	<p>Role- to give everyone a voice. We will always listen to ideas and will be focusing on ideas that make our school better. We would particularly like any ideas to be linked to our core values of Community, Achievement and Pride.</p> <p>School Council will be meeting with Mrs Charlesworth this week and then we will put together an action plan.</p>
Eco Team (Article 29)	<p>Mrs Courtness will be meeting with the Eco-team soon. We think we should keep the same children as last year, unless these children would like to change.</p> <p>Who are the two Eco-reps in your class?</p>
Playground Pals (Article 31: To relax and play)	<p>We are reintroducing playground pals to help make sure that everyone feels involved in activities at play-time. They will be Year 5 children, who have volunteered to give up their time to help. If you are feeling as though you need someone to play with, you can choose to sit on the friendship bench and they will find you or you can go and ask them to help you to find someone to play with. It is important that we support and help one another.</p>
Birthdays	<p>We can't do our normal birthday celebrations, where we sang 'Happy Birthday' at assembly. Do you have any ideas of ways that we can mark our special days in school?</p>
Any other business (Article 12: To have a voice)	<p>Do you have any thoughts or ideas that you would like to share with School Council?</p>
