Dear Parents,

Just One Tree

We will support this project to plant trees, supporting reforestation projects around the world and in the process help to provide training, agricultural education and sustainable incomes, alleviating poverty within communities. £1 will mean the children can add their thumbprint as a leaf on a tree in 12th October.

Second hand uniform

The parents who have sorted this are doing a brilliant job. The shed will be open after school next Friday 30th and every Friday after that. Current stock includes lots of jumpers and winter dresses aged 5-6 and 6-7, with a few aged 4-5 and 7-8. They are currently not taking donations until they clear some of this winter stock. They need child sized hangers, especially for trousers if anyone has spares.
