Dear Parents,

Thank you

CAMHS Parent Event

We have arranged for the Early Intervention Team from CAMHS (Child and Adolescent Mental Health Service) to present to parents on **Wednesday 26th April** at 6pm. They will outline the work they do to support children and families and there will be the chance to ask questions. Please book a space here <https://leslandes.schoolcloud.co.uk>

Chicken Pox

So that you are aware, we have several cases across the school.

Dogs

In the past, we have not allowed dogs onto school site. However, we would like to make a change to this from the Summer Term. If your dog is on a lead, you are very welcome to bring him / her into the playground and onto the field after school. This will free up pavement space at the main gate and provide a safer exit for children. If you are staying after school to use the field, please keep your dog on a lead and under the control of an adult. We can review this change at the next Parent Forum.

Cricket opportunity

Jersey Cricket is offering sessions next term for girls aged 6-11. Flyer attached with a sign-up link.

Summer Term

We are all ready for some sunshine! There is so much to look forward to in the Summer Term...Sports Day, Summer Fayre, disco, new clubs, parent workshops, the Coronation,
